Holiday Homework

Class : IV   **Subject: Mathematics**

1. Write 2 to 20 tables 3 times in A4 sheet paper.

2. Find the prime and composite numbers between 1 to 100.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Hint:

Step 1 : Cross out 1.
Step 2 : Cross out all the even numbers except 2.
Step 3 : Cross out all the multiples of 3 except 3.
Step 4 : Cross out all the multiples of 5 except 5.
Step 5 : Cross out all the multiples of 7 except 7.

Prime Numbers (which are not crossed out): ……………………………

Composite Numbers (which are crossed out): …………………………..

3. Prepare a model of rectangle, square, circle and triangle using waste material.
