

HOLIDAYS HOME WORK

2018-19

1. Study the following animals and write down how they move. What food they eat, and how they reproduce.
 - a) Parrot
 - b) cow
 - c) fish
2. Some plants do not grow from seeds. Let us find how such plants grow. Give some examples.
3. The young ones of some animals have different names. Match the animals to their young ones.
 - a) Kangaroo
 - b) Goat
 - c) Horse
 - d) Cockroach
 - 1) cub
 - 2) foal
 - 3) joey
 - 4) nymph
4. Collect pictures of birds with different kinds of beaks and paste them in your scrapbook. Write down their names and the food they eat.
5. Find out two ways by which solar system can help us save energy.
6. Which soil is used to make toys? Why?
7. Write a few lines on how birds take care of their young ones.
