

MUMBAI IIMUN CHAMPIONSHIP CONFERENCE-2018

During the recently concluded IIMUN Championship held at Mumbai represented by one of the student each from class IX and class X of SVIS, Tirupati, the following were proposed and unanimously accepted by all the participating institutions.

- Planting a plant
- Donate a book
- Feeding the needy

Hima Bindu of class IXA contributed to his Endeavour by planting a sapling there by showcasing her concern towards the environment. She further pledged to contribute in whatever way possible towards securing the environment for the future.

Varshitha of class XA donated books to the needy championing the concept of spreading the literacy coined at IIMUN chapter, Mumbai.

Although the above contributions seem miniscule, they will definitely have a huge impact on young minds and help them in becoming better global citizens.

Thanking you for your support, it won't be possible without your guidance.

Regards
